Join PTCOG 63 in Buenos Aires!

Mark your calendar for PTCOG 63 in Buenos Aires, June 2–7, 2025! Join experts and innovators from around the world to explore the latest in particle and proton therapy.

[Save Your Seat](#)

Educational Program (2-3 June)

Enroll for enriching educational sessions and gain new knowledge on particle therapy.

[Learn More](#)

Scientific Program (4-6 June)

Explore the 3-day scientific program and see what awaits you in Buenos Aires.

[Learn More](#)

Networking Events

Join us for a series of engaging networking events fostering collaborations.

[Learn More](#)

Advancing Particle Therapy in Cancer Treatment

The 63rd Annual PTCOG Conference is a five-day immersive experience featuring educational sessions, scientific meetings, keynote sessions, and networking opportunities.

[View Interactive Program](#)

We look forward to seeing you in Buenos Aires!

Make the most of PTCOG 63—a cornerstone for advancing particle therapy, building meaningful collaborations, and pushing the boundaries particle therapy.
