

Networking Events

Fostering connections and collaborations

Join us at PTCOG 63 in Buenos Aires for a series of engaging networking events designed to foster connections and collaborations within the particle therapy community. Here's what we have planned:

Educational Sessions Welcome Reception **2 June 2025, 5:45 PM (GMT-3)** **Conference Venue**

Kick off the conference by connecting with fellow attendees in an informal setting. This reception offers a great opportunity to meet peers and set the stage for the days ahead.

Scientific Meeting Welcome Reception & Exhibition Opening **3 June 2025, 5:30 PM (GMT-3), Exhibition Area**

Engage with exhibitors, explore the latest advancements in particle therapy, and network with colleagues from around the world.
